Current Employment

in10sity Interactive 2007 - Present
Graphic Designer

Created website concepts, brochure designs, logos, promotional materials, mobile site design, intranet and extranet websites for a wide variety of clients from East Tennessee Children's Hospital to Volvo and Rack Room Shoes. Acted as both a web designer in a group of two, and sole print designer for entire company. Maintained and updated website front-ends with HTML, CSS, JS/JQuery.

Previous Employment

Farragut High School
Special Education Paraprofessional 8/2005 - 5/2007

University of Tennessee, Knoxville
Web Designer 9/2004 - 5/2005

Managed and updated the University of Tennessee's School of Art website. Provided instruction and tutoring to professors in Adobe Dreamweaver. Collaborated with the Office of Information Technology to create and maintain website access for clients. Created new pages, graphics and updates at the request of the School Director, professors and grad students. On-call for website troubleshooting.

University of Tennessee Institute of Agriculture, Knoxville
Graphic Designer 9/2002 - 1/2005

Created brochures, annual reports, instructional manuals, technical illustrations, logos, shirt designs, and photo retouching. Worked with UT Agriculture partners for promotions including Tennessee Institute for Sustainable Development, 4-H, and ConAgra Foods.
